**Supporting voluntary activity across South Northamptonshire**

# The Village Networks Community Minibus – a local transport solution for voluntary groups and charities across South Northamptonshire

Many voluntary and community groups tell us that transport is a key issue for their group, village or parish and snvb is pleased to be able to expand its range of front-line services by offering a community minibus for hire.

The new minibus is part of our Lottery-funded Village Networks project begun in October 2011. It is operated and managed by snvb under a Section 19 Permit issued by VOSA (Vehicle & Operator Services Agency) with the necessary insurance, mechanical checks and safeguards.

Our part-time drivers, employed by snvb, are MiDAS trained and CRB-checked.

Voluntary, community and charitable groups, as well as public/statutory bodies, can apply to snvb for membership of the Community Minibus scheme. See over for contact details.

## **Please note the following:**

- ◆ Our minibus has 16 passenger seats, all with seatbelts. It is equipped with a first aid kit and fire extinguishers.
- ◆ Hire of the minibus includes an snvb MiDAS trained driver.
- ◆ Registered membership of the Community Minibus scheme is required as part of the operating permit.
- ◆ Hire is subject to Terms & Conditions. Please note, that other commitments for the minibus may restrict availability for hire so we cannot guarantee availability.
- ◆ The minibus cannot be hired by commercial/profit-making groups or hired for activities (or as part of activities) which are profit-making.
- ◆ The minibus is unable to carry passengers in wheelchairs and is not equipped with a passenger lift.
