Hello Towcester Volunteer Centre

We are fun-running round Towcester Racecourse on the 22nd June and are writing to invite **you** to get involved!

Children can run, jog, skip, hop or be pushed round this 3km route. They can go with families, as a group, or even as a whole club and the emphasis on the day is on *fun!* But to ensure maximum fun, we need maximum efficiency and that's where you come in.

We would love your support.

Your local council is already involved and helping to promote this run. Could you help too?

We are raising funds for a U.K. charity called The Children's Trust. They are building a brain injury rehabilitation unit to help children who have suffered brain damage due to a sudden illness (like Meningitis) or an accident, so joining in means you'll be doing something for a childrens charity as well as helping your local community.

Your support will mean we can accept more entries, which means more money for the The Children's Trust.

Could you organise parking? Or do you see yourself as more of a marshal? Or perhaps your customer service experience means you would feel happier on the registration desk? Whatever your special skill, we want to hear about it!

Priority will be given to people who have been CRB checked. For more information please call 01903 883941.
