Equal Opportunities Monitoring

The Volunteer Bureau is committed to equality of opportunity.

We want to ensure that no job applicant receives less favourable treatment because of their race, colour, nationality or ethnic origin, or on the grounds of their age, gender, marital status, disability, sexual orientation, religion, political belief, unrelated criminal conviction, or caring responsibility that are not justified by the job to be done.

In order to assist us in monitoring the effectiveness of our Equal Opportunities Policy you are requested to provide the following information.

This information will be treated in the strictest of confidence and used only for monitoring purposes. This form will be kept separate from your application form and will not be used when assessing information on your application form.
