Supporting voluntary
activity across South
Northamptonshire

snvb has a range of services, equipment and accommodation available to local groups

snvb can help your group with a range of resources available at our Towcester and Brackley offices

Office space

Our Towcester volunteer centre has an office which is available for groups to use regularly or occasionally. We also have a large meeting room with full AV facilities, which can be organised in a variety of layouts to cater for meetings, training classes etc.

(Seating - conference style - upto 12, theatre style upto 30)

Access to the Towcester volunteer centre is via stairs.

At Brackley, the volunteer centre has two offices that are ideal for advice sessions or small meetings.

Both volunteer centres can offer FREE WiFi, reception and tea/coffee making facilities. The Brackley office is fully accessible.

Office services

A photocopying service is available at both offices. In addition we can print documents for you if you send us your file via e-mail, flashdrive etc. Ideal for village newsletters, minutes etc.

We can also laminate up to A3 size.

Equipment

Groups often find that they need equipment for special events etc, but are unable to justify the cost of purchase. We have a range of equipment available for hire at attractive rates that can help you overcome this problem. The list includes:

Display boards

Laptop computers

Flip charts

Digital camera

Digital projectors

Collapsible table

Portable PA system

etc

Contact us now for full details of our range of equipment and services. We can help you.
