

snvb is the local vcs
infrastructure support
organisation which offers
help and support to
voluntary organisations
across the district

Supported by

Please get in touch if you would like to join our team of friendly volunteer Garden Buddies. You can give as little or as much time as you want and all tools, equipment and training are provided.

Mrs Mills said...

The Garden Buddies have worked wonders in my garden – it would be a jungle without them!

Garden Buddies

Your friendly volunteer
gardening service

Supporting voluntary
activity across South
Northamptonshire

Your friendly volunteer gardening service helping people look after their gardens in South Northamptonshire

What is Garden Buddies?

Garden Buddies is a community gardening service where volunteers provide practical help to elderly and disabled people, who have no other means of support, enabling them to maintain and enjoy their gardens.

This community project aims to offer support to the most needy while also providing a positive focus for volunteers of all abilities.

Who can use this service?

This service is available to people who:

- are unable to carry out the work themselves due to age or disability
- have no one living with them or within a reasonable distance, who could be expected to help
- do not have the means to pay a commercial gardener

How does it work?

Once your membership application has been accepted, our team of volunteer Garden Buddies can carry out basic maintenance to be agreed with the member beforehand. This includes tidying and clearing gardens, lawn mowing, hedge cutting, pruning, digging, strimming and garden clearance.

We provide all the necessary equipment.
